The 1946 Massillonian

Dedication

The "Massillonian" staff is proud to dedicate the 1946 "Massillonian" to a friend and teacher so worthy of this honor.

In the sixteen industrious and fruitful years that he has been at Washington High, he has become a favorite of all those who have learned to know him. His pleasant smile, and hearty laugh have come to be a traditional part of the school, which is so steeped in traditional things. His contributions have added to the life and renown of this institution.

We feel that we express the feelings of the entire student body when we present this book to our own Robert "Ike" Hise.

RICHARD WEIRICH

Richard Weirich is one of the few people who can receive straight A's through high school and not be called a "bookworm." Dick has been in Hi-Y, Terps, and was president of the student council, an honor many would like to have. Dick was also elected to the National Honor Society.

MARGARET CULLEN

Choir, Dramatic Club, National Thespians, N. F. L., Friendship, Terps, Big Sisters, Student Council, Hi-Times, just ten of the activities in which Margaret has been taking part during the last three years. In addition to these "extra", she has maintained a 3.9 average.

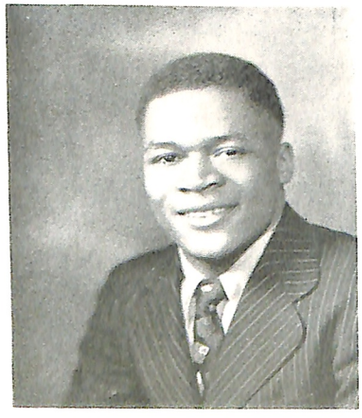

CHARLES SOHNER

Chuck has been outstanding in speech, debate, and dramatics during the last three years. This year Chuck was president of the N. F. L., and a very convincing member of the debate squad. Proof that Chuck didn't spend all his time in forensics is his active membership in Terps, the "Hi-Times" Staff, Hi-Y and National Honor Society.

Outstanding Seniors

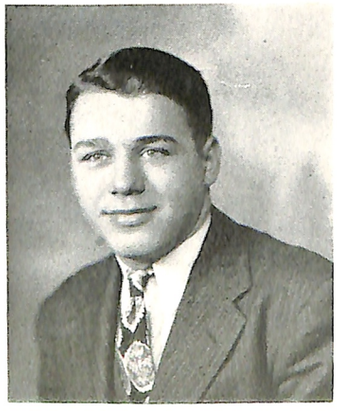

BERT WEBB

Probably the most outstanding senior in the field of athletics was Bert Webb whose beautiful broken-field running and numerous touchdown jaunts made him one of the most feared backs in the state. This in addition to his fine, all around, aggressive play earned him a halfback position on the AP All Ohio team.

FRED BONK

Fred Bonk, treasurer of the senior class, captained our football team through an undefeated season. Always an inspiration to his teammates, Fred was the mainstay of the powerful Tiger line and at the conclusion of the season was selected at end position on one of the All Ohio teams. Fred will always be remembered for his fine sportsmanship.

A Scene From The Musical Variations of 1946

The largest cast ever used for a Washington High School production presented "Musical Variations of 1946" on March 7 and 8. It was different from any other vocal department production in that it featured several different types of music—popular songs from the stage hit "Oklahoma," South American music, dreamy waltzes, and music from "The Firefly" and "Sweethearts."

The review also presented a larger number of soloists than any of the operettas given here. Boys' and girls' ensembles and a group of ten dancers were featured in addition to the soloists who were as follows: Ronnie Krayer, Jo Kumpf, Ronnie Smith, Shirley Bird, Fritz Keen, Margaret Cullen, Jack Ebner, Bob Potter, Bill Lawson, Nonne Evans, Jean Flickinger, Arlene Allison, Bob Waters and Tom Tate. A clever dance was executed by Corky Swihart who also coached the dancers. Nannette Pearson and Billie Sowers presented a violin and accordion duet. One of the specialty numbers between scenes was a "gay nineties" version of "Strolling Through the Park One Day" featuring ten students dressed in the costumes of "them good old days."

Students who worked behind the scenes were Bob Waters, business manager, Ann Chidester, program chairman; Tam Taggart, designer of sets, Arlene Allison, publicity; Mr. Herbert Rogers, stage director and John Siegfried, state manager. Members of the Dramatic Club were in charge of staging and the school orchestra provided accompaniment.

A job well done!—We say this to you Coach "Augie" Morningstar as parting words and encouragement wherever you may be in the future. You represent the spirit that has made our football team, champions. You have that will to fight without knowing the meaning of defeat, and it, in turn was reflected in your ball team. The kids loved you, "Augie", and that represents one of the greatest tributes that can come to any man. We wish you success and smooth sailing!

THE TIGERS' TIES

by

Dick McFarland

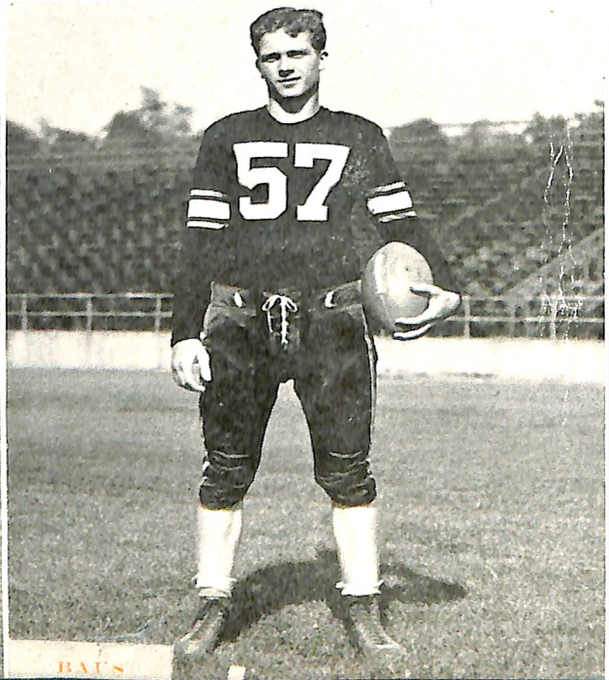

The first undefeated season in two years was completed by the 1945 football team under the direction of Augie Morningstar, who did a fine job of handling the headcoaching reins for the first time in his promising career. Only five victories were chalked up however, because the other half of the games played ended in ties.

This constituted the strangest record ever turned in by W. H. S. football eleven. Schools throughout the state are now concentrating more on football and consequently are developing better teams. Massillon's five ties, four of which were with the top teams of the state, threw the mythical title race into shambles with no team having a claim to the crown.

The first game of the season matched the Tigers against the Akron South Cavaliers, city champions of Akron for the previous season. The

Bengals downed them 21-0 with Webb, Zorger and Richards chalking up the touchdowns. Cocklin, on a conversion and a safety in the second quarter added the other three points. Webb's sixty yard touchdown run in the first stanza, highlighted the contest.

The fastest scoring spree of the season occured in the Weirton game, the second of the season. Webb showing much speed and cleverness, trotted 41 yards in the initial quarter which was matched by Weirton in the third period by a pass and lateral play to tie the score at 6-6. The Tigers later broke loose and in two and one half minutes, three more touchdowns were pushed across the goal. It all started when McGuire crashed across from the three yard stripe. Two plays after the kick off Zorger stole the ball from the Weirton backfield and galloped 34 yards for six points. Massillon again kicked to the visitors. In two plays Zeller intercepted a pass and broke loose for 61 yards and a touchdown. The game ended 24-6, giving the Tigers their second victory.

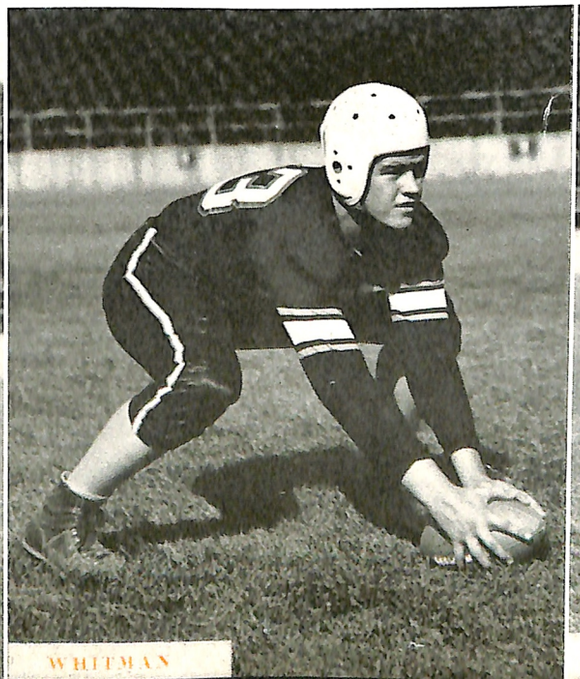

The first tie of the season came in the game with the Lincoln Lions. A hard fought game all the way presented only one scoring chance for the

Tigers, that coming at the end of the contest, but the four downs failed to produce the score. The fracas ended in 0-0.

The last period counter by the Steubenville Big Red forced another deadlock on the Tigers by the score of 7-7. The Stubber's tally came late in the game and Massillon had no chance to come back into the lead.

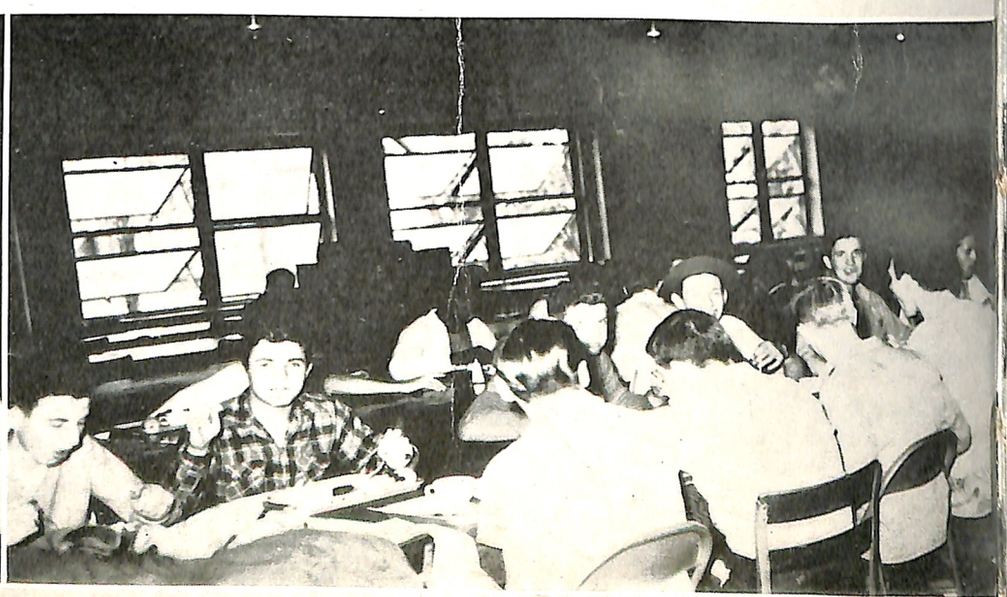

Alliance fell to the strongest offensive shown by the Tigers all season as they piled up 44 counters to the visitors seven. Webb sparked the offensive after Alliance matched the Tigers early score taking a 7-6 lead. But once the Tigers got the ball a McGuire-to-Zeller pass put the Tigers once again to the front. Webb tallied four touchdowns on brilliant dashing sprees of 45, 30 and 20 yards, and a plunge from the three yard marker, McGuire and Byelene counted the others.

Mansfield was stopped by an aerial attack with the McGuire to Zeller combination working once and Webb to Bonk play good for 12 points. Amsbaugh taking Cline's pass gave Mansfield their only counter. Webb broke loose for runs of 80 and 29 yards, each time displaying deceptive running. McGuire cashed in from the three and Krisher's and Cocklin's extra points during the game made the final score 40-6.

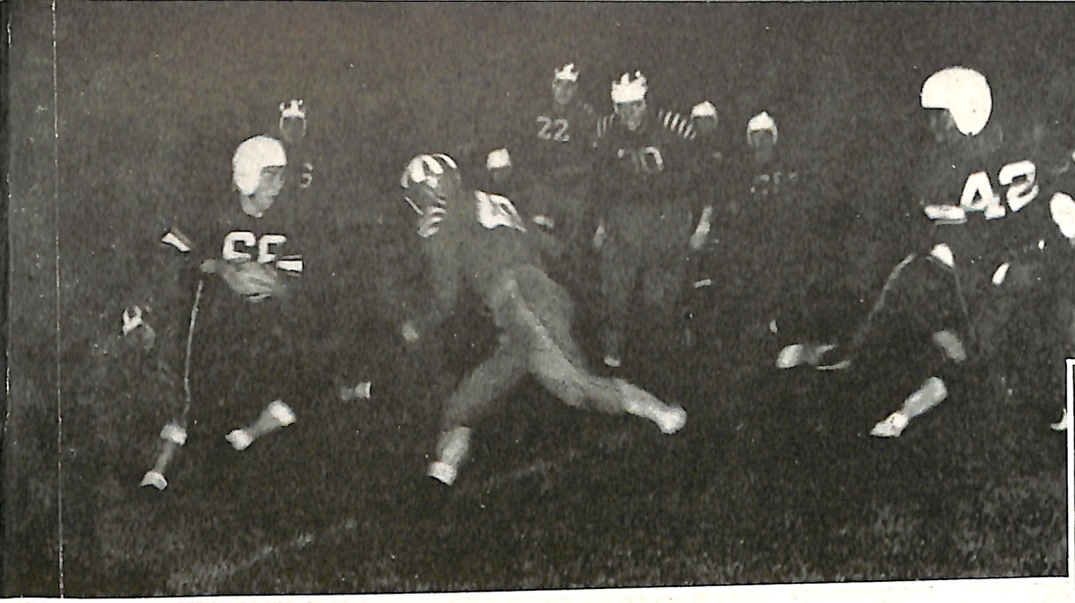

The trek to Warren produced the third tie of the season. Neither team could score but the Tigers held the upper hand for the entire contest with

Warren never getting inside the local's 35 yard line. Massillon had two scoring chances but Warren's strong defense prevented any scoring.

The largest crowd ever to watch the Tigers play was in the Cleveland stadium for the Cathedral Latin fray. Over 51,000 fans filled the structure to watch the teams battle to a 6-6 tie. A Webb to Bonk pass gave Massillon an early lead but late in the contest the Lions using mostly power plays crashed over from the one after the Tigers held them within the five yard stripe for six downs. Several minutes later the Lions were perched on the Tigers goal line but the stalwart forward wall held till the contest was over.

Cleveland East Tech was polished off to the tune of 26-6. Webb passed to Bonk for the first tally. Edie intercepted a Tech pass for another score while McGuire shot a pass to Richards for the third goal crossing, and Giloff driving over from the twelve produced the final score of the season.

The 50th battle between the Tigers and the Bulldogs ended 0-0 after 48 minutes of muddy football. Massillon held the statistical advantage throughout. The officials commented that it was the most cleanly played game in years but for the team and fans it was the "dirtiest" contest they have ever played or seen. Bonk, Uliveto, Krisher and Waltz were outstanding on defense; and the offense was charged by the fine peerformance of ball carriers Webb, McGuire, Zorger, Giloff, Byelene, Gutschall, Chovan and Richards. Edie, Zeller, Darrah, Bonk and Green also turned in stellar plays stopping many a touchdown thrust by the opposing teams.

TOURNAMENT

Massillon	42	Akron Garfield	58

Poor seasons marr every high school's basketball records, and this past term the Washington High School Tigers encountered one of those bad spells. Playing 16 regular scheduled games the Tigers won only five contests, dropping 11 to opponents. The locals lost their first tournament engagement at Kent.

The team from the halls of W. H. S. were constantly pitted against quintets of more experience and height, but never were disgraced in their role of underdog.

The opening game of the season was with the all-veteran team of Akron Central. The contest was not iced until the final half minute of play when Central pulled a four point margin to win 34-30. Gene Krisher topped the locals with 14 points. Defensively Dan Byelene stood out guarding Central's all-city forward Charlie Drumm.

Canton Timken pounced on the W. H. S. cagers by a score of 41-31 as they exhibited some very fast basketball playing to out-run the Tigers. Dick Gardner led the locals with 10 markers.

Another Akron team downed the Bengals, this time North, with a final tally of 49-40. It was the first game played in the local gym for the season.

Canton McKinley walked off with the next Tiger game but only after being given a scare in the third period when Massillon forged into the lead. But the eastern visitors checked their defense to gain a 44-33 final score to win the fracas.

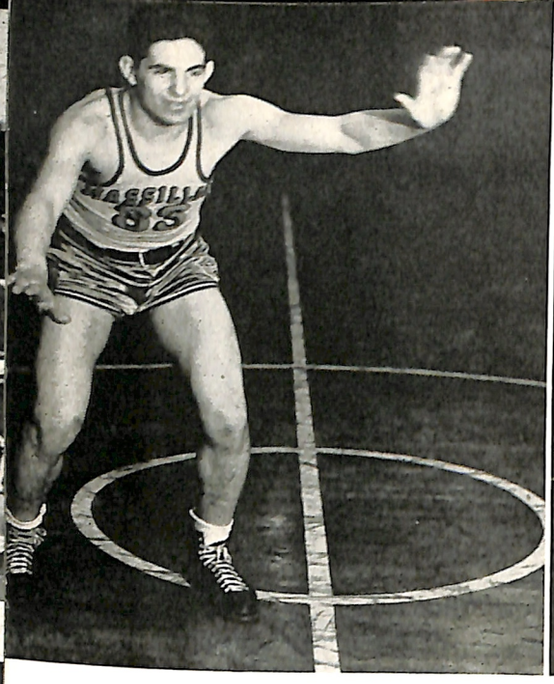

The fifth loss on the Tiger record was added by Canton Lincoln to the score 39-31. Tom Williams paced the Lions, proving a great obstacle to the local quintet.

ALLIANCE FIRST VICTIM

The Alliance Aviators were the first team of the year to succumb to the Massillon boys.

Tony Uliveto paced the Tigers with 15 points. The final register showed 55-46 to be the score. Perhaps being victims of claustrophobia, the Houghtonites found the gym of New Philadelphia too small for comfort and absorbed a resounding 48-23 defeat.

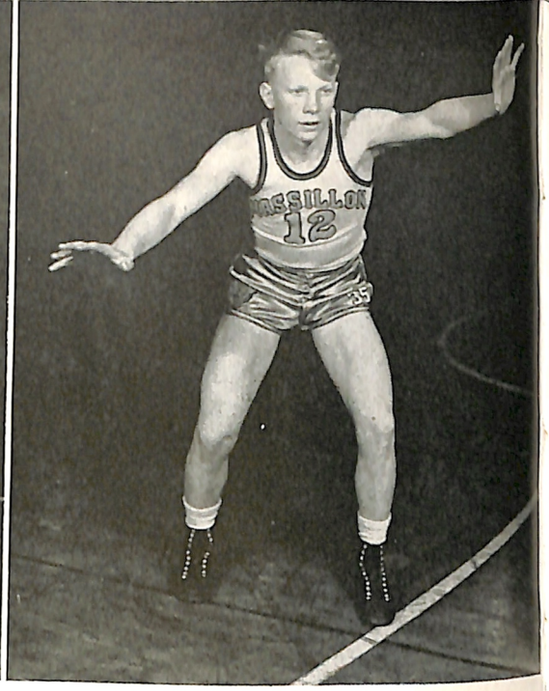

In one of those heart-breakers the Tigers were edged 52-50 by the Akron South's city champions, after showing the best form all season. Rufus Hogan and Uliveto paced the locals' attack which nearly overcame South in the fourth period.

ULIVETO

KRISHER

LINK

Nearly a reoccurence of the football game in November with the McKinley Bulldogs, the Tigers were pinned to a 52-39 defeat led by Spera and Howell. The roughness and the minute gym of the Bulldogs did not stop Uliveto from gathering 18 points.

Alliance, seeming to be the only team able to be conquered by Massillon, fell to the Tigers 49-36. The locals employing the fast break, ran the legs off the Aviators to capture the game.

Akron Kenmore was out-fumbled in a poorly played game thus taking the melee 46-39. The final minutes of the contest proved fatal to the W. H. S. boys as Raymer of Akron pitched in several shots to clinch the contest.

With the regular starters riding the bench the entire game, the seconds ran wild over Cuyahoga Falls 58-46. Don Weiner and Dan Byelene, on fast breaks set the pace for the visitors.

Mansfield had to play stellar ball to overcome the Tigers, but with Burton doing the shooting they managed to do so, 58-47, as he garnered 22 counters.

LINCOLN REVENGED

Revenging an earlier defeat the locals trounced Canton Lincoln 42-37, Uliveto and Hogan paced the Tigers' big last half, making possible the victory.

Warren was surprised in a fast game turned in by the Tigers as the local lads passed and shot their way to a 45-36 victory. Possessing one of the better teams of the state, Warren was run to pieces in the third stanza as the cagers from Tigertown posted a lead of 12 points. A last period rally failed to produce a victory for the Presidents. Uliveto tallied 16 points to lead the Tigers to their fifth victory.

Tournament jitters attacked the locals in their last town contest as they went down to defeat 58-42 thus ending the 1945-46 basketball season.

The team this season composed of Jim Bishop, Russ Ramsey, Bob Link, Merle Darrah, and those already mentioned constituted a very unusual squad of members so nearly matched in basketball ability that it was very difficult for coaches Houghton and Evans to pick a first five and therefore, different combinations were used as the starting teams.

All members of the squad will possibly return next season producing one of the strongest aggregations in the state.

The season was not a loss, however, since it provided much experience for the boys who will be carrying the colors for W. H. S. next season.

RESERVE BASKETBALL SEASON

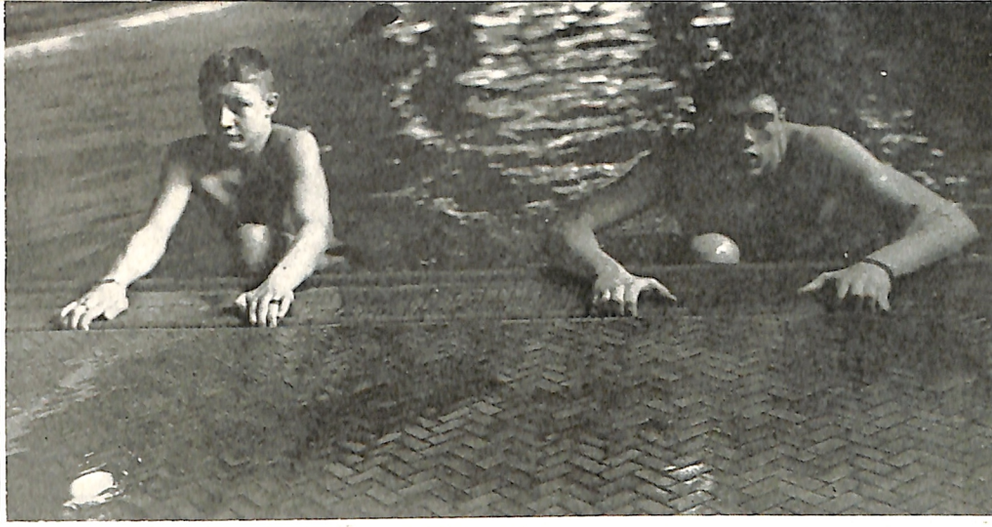

The Washington High varsity basketball team was not the only team that had tough luck with the past season as the reserve squad was limited to nine victories while absorbing seven defeats. Coached by Johnny Morgan, the squad, comprised of all sophomores except for one junior, compiled 608 points against their opponents 577. Kutz paced the reserves with 120 markers for the season while Grant had 95 and Captain Crescenze gathered 84.

SWIMMING TEAM HIGHLIGHTS

The 1946 Washington High swimming team copped no team honors for the year, but were privileged to have two members of the squad qualify for the Columbus state swimming tournament.

Grant Esterling, free styler, placed fourth in the state finals in the 50-yard free style. During the season he was undefeated as he compiled 54 points in eight dual meets.

Phil Knight, captain of the swimmers, captured sixth position for the state in the 100-yard free style. Knight, swimming both free style and backstroke races during the season, gained 51 points.

Breast stroke honors went to John Hammersmith, who tallied 37 counters during the meets. He, together with the two previously mentioned, comprised the medley relay team which qualified for the Columbus finals, but did not place.

Denny Clunk, Joe Kelly and Bill Ceckler were the other free stylers during the past season, capturing each about 20 points. Individual medleyists on the squad were Ben Jacoby, David Wey and Jim Featheringham.

INTRAMURAL BASKETBALL

Intramural basketball captured the noon spotlight at our school during the winter, with the Senior Basestealers taking the championship. Thirteen teams entered the league which was conducted on a double elimination basis, each team having to be defeated twice before losing the chance of becoming champions.

Comprising the top squad were Leininger, Tomasevich, Ellias, Webb, McGuire, Edie, Rush and Peterson. The league, under the supervision of Augie Morningstar, provided entertainment for the students who remained at school during the noon hour besides furnishing activity for the boys who participated. A trophy is awarded to the team winning the league honors, which is kept in the school trophy case.

BASEBALL -:- TRACK -:- GOLF -:- TENNIS

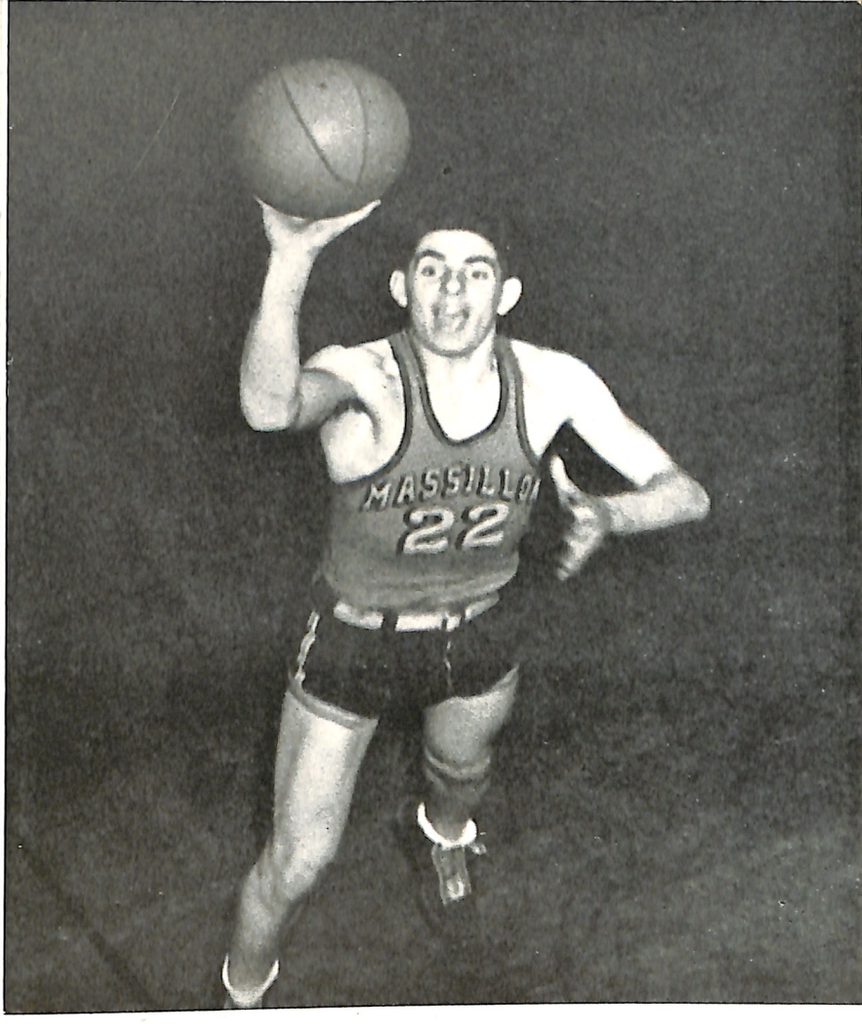

Spring sports catch the fever of many Washington High School boys as is shown by the interest in them. Baseball, coached by Bill Rohr, offers many possibilities to the fellows who wish to become future Babe Ruths. Many of last year's regulars return this season and a profitable season is expected.

For the fellows who like to run, there is the track team, which is being tutored by Bob Shertzer and Tommy Evans. Also on the docket is golf with R. T. "Ike" Hise chasing the balls for the boys. On these teams there are several of last years' regulars returning. Coach Johnny Morgan also has his spring worries as he instructs the lads who like the tennis courts as their athletic grounds. Spring football this year is back in the spotlight and will keep many of the boys in trim for the future season.

At the time of the publication of this book, all of the previously mentioned teams are undefeated. (The fact that no contests have been staged for the teams is incidental and irrelevant.)

TO TOMORROW

Some of you are brave,
And face life without fear.
Some of you are bold
With thinking that is clear.

Some of you are athletes
In summer, winter, spring or fall
Some of you are scholars
And know the answers to it all.

You all face life but half equipped
With some knowledge and some theory
But experience is the final grip
To grasp success, don't weary.

Be open minded to all facts
Kind and courteous to all you know.
A thirst for knowledge never relax
Just keep on learning as you go.

The above advice is given
In the spirit of your believing
Congratulations to the class of '46
For the records you are leaving.

Best of wishes and good luck
As you go on your way;
Possessed with plenty of pluck
To face the start of your New Day.

Tapping an Electric Furnace

He's safer in a Republic plant than at home

Republic is a safe place to work. The probability of accident or injury in a Republic plant is less than in your own bathroom.

Steel today is the fifth safest industry—up from eighth place in 1932.

The first Ohio industrial plants to fly the National Safety Council's pennant for Distinguished Service Safety were Republic's Berger plant at Canton and the Bolt and Nut plant at Cleveland.

In 1944 Republic also won from the National Safety Council, 6 first, 2 second and 2 third place awards, plus 10 certificates of merit for improvement in accident records. All this in competition with 408 other steel companies.

Republic's safety program has gone on year after year, in war and peace. It is only part of a still broader program aimed at making REPUBLIC A GOOD PLACE TO WORK—A GOOD COMPANY TO JOIN AND A GOOD PLACE TO STAY.

NEW B. F. Goodrich PASSENGER TIRE

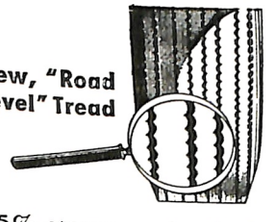

OUTWEARS PREWAR TIRES!

New Passenger Car Tire with Safer-driving, Longer-mileage features

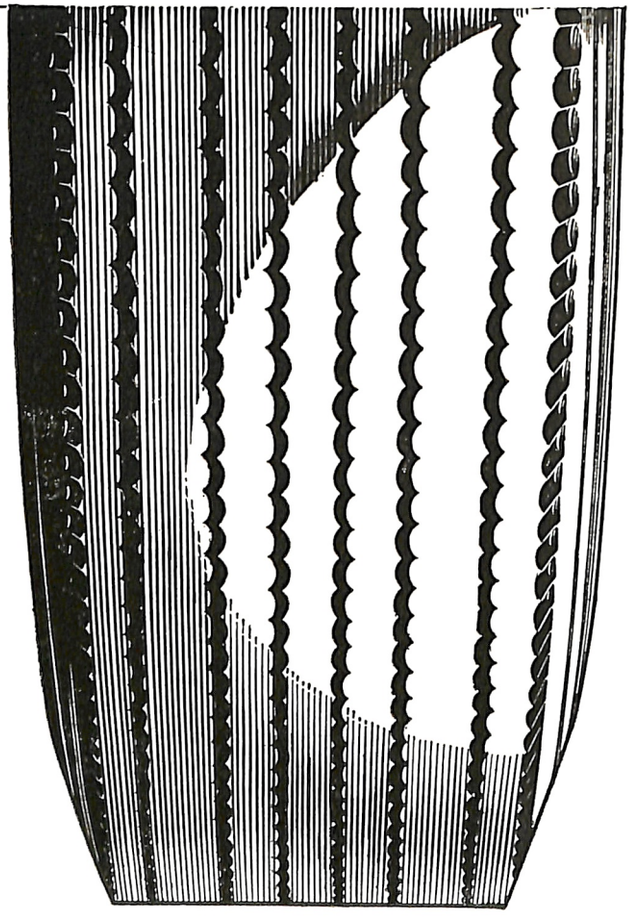

New, better Synthetic Rubber

Developed by B.F.Goodrich—it's far better than ordinary synthetic rubber. Helps the new tire run cooler, wear better. It resists cracking, bruising and damage from accidents better too.

New, "Road Level" Tread

35% stronger tire body makes possible tread with a flatter contour—its whole width touches the road. More rubber on the road to share the wear—*evenly*. The tread design has hundreds of skid-resisting curves to grip—and stop quickly!

16,800,000 Test Miles

Has more test background than *any previous* B. F. Goodrich tire. Extensive laboratory tests *plus* 16,800,000 miles of actual road tests—on taxi fleets, police cars, and the B.F.Goodrich test fleet—*proved* it outwears prewar, natural rubber tires!

3 years' EXTRA synthetic tire experience

Three full years before *any other manufacturer*, B. F. Goodrich sold tires made with synthetic rubber to American motorists. This extra store of experience shows up in extra mileage... extra safety... extra value.
